TO: Public Utility Commission of Texas

SUBJECT: Tariff Filing for Informational Purposes – PUC Control #55825

Enclosed is an amended SECTION 1.0 – RATE SCHEDULE which should be substituted for Water Tariff Pages No. 2 from Bear Springs Trails WSC which was filed 2025-06-25 08:17:04 PM, which was assigned PUC Control Number 55825. This amended Rate Schedule will take effect on July 1, 2025; however, it contained a typo for the gallonage charge after 10,000 gallons. The charge should have read "\$20.00 per 1000 gallons thereafter" rather than "\$25.00 per 1000 gallons thereafter."

Any questions should be referred to the undersigned.
